

Nanotechnology Training for K12 Science Teachers at the NSEC Center for Hierarchical Manufacturing (CMMI-053117)

The CHM conducted its fourth annual Nanotechnology Summer Institute for K12 science teachers at UMass Amherst, June 28-July 2, 2010. 30 teachers learned nine nanotechnology modules with hands-on activities for the classroom. As part of the week's activities, the teachers used these modules to develop curriculum plans that meet their particular teaching needs and satisfy state standards. <http://www.umassk12.net/nano/>
