

Nanotechnology Training for K12 Science Teachers at the NSEC Center for Hierarchical Manufacturing (CMMI-053117)

The CHM conducted the third annual Nanotechnology Summer Institute for K12 science teachers at UMass Amherst, July 20-24, 2009. 32 teachers learned nine nanotechnology modules with hands-on activities for the classroom. As part of the week's activities, the teachers used these modules to develop curriculum plans that meet their particular teaching needs and satisfy state and federal standards.
