

December 7-9, 2011 \* Arlington, VA  
 2.5 days  
 67 participants  
 Cooperatively organized, initiated and led by the **NNN**

- Quantitative Structure Activity Relationships
- Minimum Required Characteristics
- Nanoinformatics 2020 Roadmap pilot reports

September 25-27, 2011 \* Boston, MA  
 2.5 days  
 150 participants  
 Organized, initiated and led by the **NNN** and the **NanoBusiness Commercialization Association**

*Showcasing emerging areas of nanomanufacturing and commercialization of nanotechnology-enabled products by leaders in the field of nanomanufacturing*

This work supported by The Center for Hierarchical Manufacturing  
 at the University of Massachusetts Amherst  
 CMMI-1025020
