

Nanotechnology Training for K-12 Science Teachers at the NSEC Center for Hierarchical Manufacturing

The CHM conducted its eighth annual Nanotechnology Summer Institute for K-12 science teachers at UMass Amherst, July 7-11, 2014. Twenty five teachers learned from an array of nanotechnology curriculum modules with many hands-on activities for the classroom, including module on self-assembly, constructing an model atomic for microscope, creating a nanofilm, and more. Curriculum freely available at: <http://www.umassk12.net/nano/>
